

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Applicant(s): KENNEDY, Sheila; et al.

For: SPACE DIVISION SYSTEM

Serial No.: 10/526,515

Filed: March 4, 2005

AFFIDAVIT OF JODI RUSSO IN SUPPORT OF PETITION UNDER 35 U.S.C. 116

STATE OF MICHIGAN)
) ss.
COUNTY OF KENT)

I, Jodi Russo, do hereby state the following under penalty of perjury:

1. The statements contained in this Affidavit are true to the best of my knowledge, information, and belief, and if called upon as a witness I can testify as to the truth of the statements set forth in this Affidavit.

2. I am a resident of Kentwood, Michigan and reside at 3416 Breton Valley Drive. In 1992, I received an Associates Degree in Legal Assisting, and a Bachelor Degree in Business Administration from Ferris State University. Since 1992, I have been employed by Varnum, Riddering, Schmidt & Howlett LLP ("Varnum") as a legal assistant. During my period of employment, I have primarily been working in the Intellectual Property Department of Varnum. My responsibilities in the Intellectual Property Department have included various activities, including, but not limited to, administrative matters associated with patent and trademark prosecutions, monitoring of patent applications and assisting in obtaining signatures of inventors for purposes of execution of Declarations, Assignments and other formal documents which we typically file in the United States Patent Office and various foreign patent offices.

3. Upon information and belief, a provisional patent application was filed on September 4, 2002. The provisional application was entitled "PARTITION SYSTEM WITH TECHNOLOGY" and identified the following individuals as inventors: Sheila Kennedy, Bill Chen-Hsun Yen, Senan Choe, Robert W. Insalaco and Joseph Chi-Chen Ho. Upon information and belief, Ms. Sheila Kennedy is a co-owner of KVA Associates, an architectural and design firm in New York City. Upon information and belief, Messrs. Yen and Ho, and Ms. Choe, had worked for KVA Associates at the time of development of the invention covered by the provisional patent application.

4. The provisional patent application (and subsequent corresponding patent applications) is assigned to Herman Miller, Inc. ("Herman Miller").

5. Subsequently, an International PCT patent application, corresponding to the provisional patent application, was filed on September 4, 2003, identifying the United States as one of its designated states.

6. On March 4, 2005, a National Stage U.S. patent application was filed for the SPACE DIVISION SYSTEM, claiming priority of the originally filed provisional patent application and based on the PCT application. Upon information and belief, at that time activities were undertaken by various personnel in the Intellectual Property Department at Varnum to obtain signed Declarations from each of the inventors for the SPACE DIVISION SYSTEM. Further upon information and belief, Varnum Intellectual Property Group personnel were informed that Messrs. Ho and Yen, and Ms. Choe, were no longer at their prior known addresses, and neither Ms. Kennedy nor any of her employees or other associates were aware of any current addresses for these three inventors.

7. Further upon information and belief, I understand that personnel at Herman Miller were requested to search through their records to determine if anyone was aware of current addresses for any of these three inventors. These searches subsequently proved futile.

8. On or about October 24, 2005, Varnum received a Notice to File Missing Parts (mailed October 20, 2005), acknowledging that Declarations for the inventors were then required to be filed with the U.S. Patent Office. The Notice to File Missing Parts provided for a two month period in which to file the Declarations, with extensions of time available pursuant to 37 CFR §1.136(a).

9. Following substantial discussions with Herman Miller personnel, Ms. Sheila Kennedy and others whom members of the Varnum Intellectual Property Department thought may have access to current addresses of Messrs. Ho and Yen, and Ms Choe, I undertook various online searches in an attempt to find these two inventors. Waltraud Beckmann, one of the inventors, is currently an employee of Herman Miller, and she has been available for execution of the Declaration. Ms. Sheila Kennedy and Mr. Robert Insalaco have all been available, with known current addresses, and each has executed a Declaration. After substantial searching, Ms. Senan Choe was finally located during the week of May 8, 2006. Ms. Choe has also executed a Declaration. However, to date, neither Mr. Yen nor Mr. Ho have been located. The following statements identify some of the online activities which I have undertaken in searching for addresses or telephone numbers so as to locate either Messrs. Ho or Yen.

10. On or about October 27, 2004, I conducted a yellowpages.com search for "Ho" in Massachusetts (see Exhibit 1). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

11. On or about October 27, 2004, I conducted a Yahoo! People Search for the last name "Ho" in Massachusetts (see Exhibit 2). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

12. On or about October 27, 2004, I conducted a Yahoo! People Search for last name "Ho" in Cambridge, Massachusetts (see Exhibit 3). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

13. On or about October 27, 2004, I conducted a Yahoo! People Search for first name "Joseph", last name "Ho" in Cambridge, Massachusetts (see Exhibit 4). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

14. On or about October 27, 2004, I conducted a whitepages.com search for first name "jo*", last name "Ho" in Massachusetts (see Exhibit 5). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

15. On or about May 3, 2006, I conducted a Yahoo! People Search for last name "Ho", first name "Jo" in the entire USA and last name "Ho" first name "Joseph" in the entire USA (see Exhibit 6). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

16. On or about May 3, 2006, I conducted a whitepages.com search for last name "Ho", first name beginning with "Jo" in the USA (see Exhibit 7). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

17. On or about May 3, 2006, I conducted a Yahoo! People Search for last name "Yen", first name "William" in the entire USA and last name "Yen", first name "Bill" in the entire USA (see Exhibit 8). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

18. On or about May 3, 2006, I conducted a whitepages.com search for last name "Yen", first name "William" in the USA and last name "Yen", first name "Bill" in the USA (see Exhibit 9). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

19. On or about May 3, 2006, I conducted a Yahoo! People Search for last name "Choe", first name "Senan" in the entire USA (see Exhibit 10). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

20. On or about May 3, 2006, I conducted a whitepages.com search for last name "Choe", first name "Sena" in the USA (see Exhibit 11). Upon review and follow-up of the results, none of the names listed were that of the inventor in question.

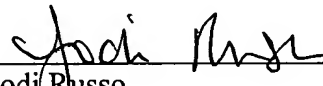

21. On or about December 10, 2004, I contacted Ms. Sheila Kennedy in a further attempt to obtain current addresses of Joseph Ho, Senan Choe and Bill Chen-Hsun Yen. Ms. Kennedy indicated that she did not know a current address of any of the inventors.

22. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so

made are punishable by fine or imprisonment, or both, under 18 U.S.C. 1001 and that such willful false statements may jeopardize the validity of the pending patent application or any patent issue thereon.

23. Further, Affiant sayeth naught.
